Dear Sir:

At the last meeting held in Toronto on March 23rd, I was instructed to write to you on behalf of the Association concerning Cadet Uniforms.

This item has been carried on our agenda for a number of months and we have not been asked to be of any assistance to you in this matter. As a result, Cadet Uniforms will be removed from the agenda of future meetings.

As an Association, we are very interested in this project however, and if in the future, we can be of any assistance in this matter, please advise us as to how we can be of help.

Yours sincerely,

Dear Brig. Clement:

I hope that you will forgive the haste and brevity of this note in response to your letter of June the 8th. As the School is about to close, these are rather busy times.

The President of my Board had, in fact, heard from Maj. General Dare some weeks ago that the used R.M.C. uniforms would not be provided for our school corps. Naturally, we were very sorry at this turn of events. However, we appreciate that there are contingencies which are difficult to bring into line.

We shall probably be in touch in due course regarding the possibility of equipping our corps with standard cadet uniforms. I am afraid that our present uniforms are on their last legs and whether they can stand up to two or three more years of service, I do not know.

Thank you for your interest in this whole matter and with my kindest regards.

Yours sincerely,

Dear Mr. Pilgrim:

Following the suggestion made by Air Commodore Birchall last year, this headquarters has pursued the matter of providing your Cadet Corps with used RMC uniforms.

I am sorry to say that Canadian Forces Headquarters now have stated that this proposal has not been approved. I therefore take it that the matter of used RMC uniforms is closed.

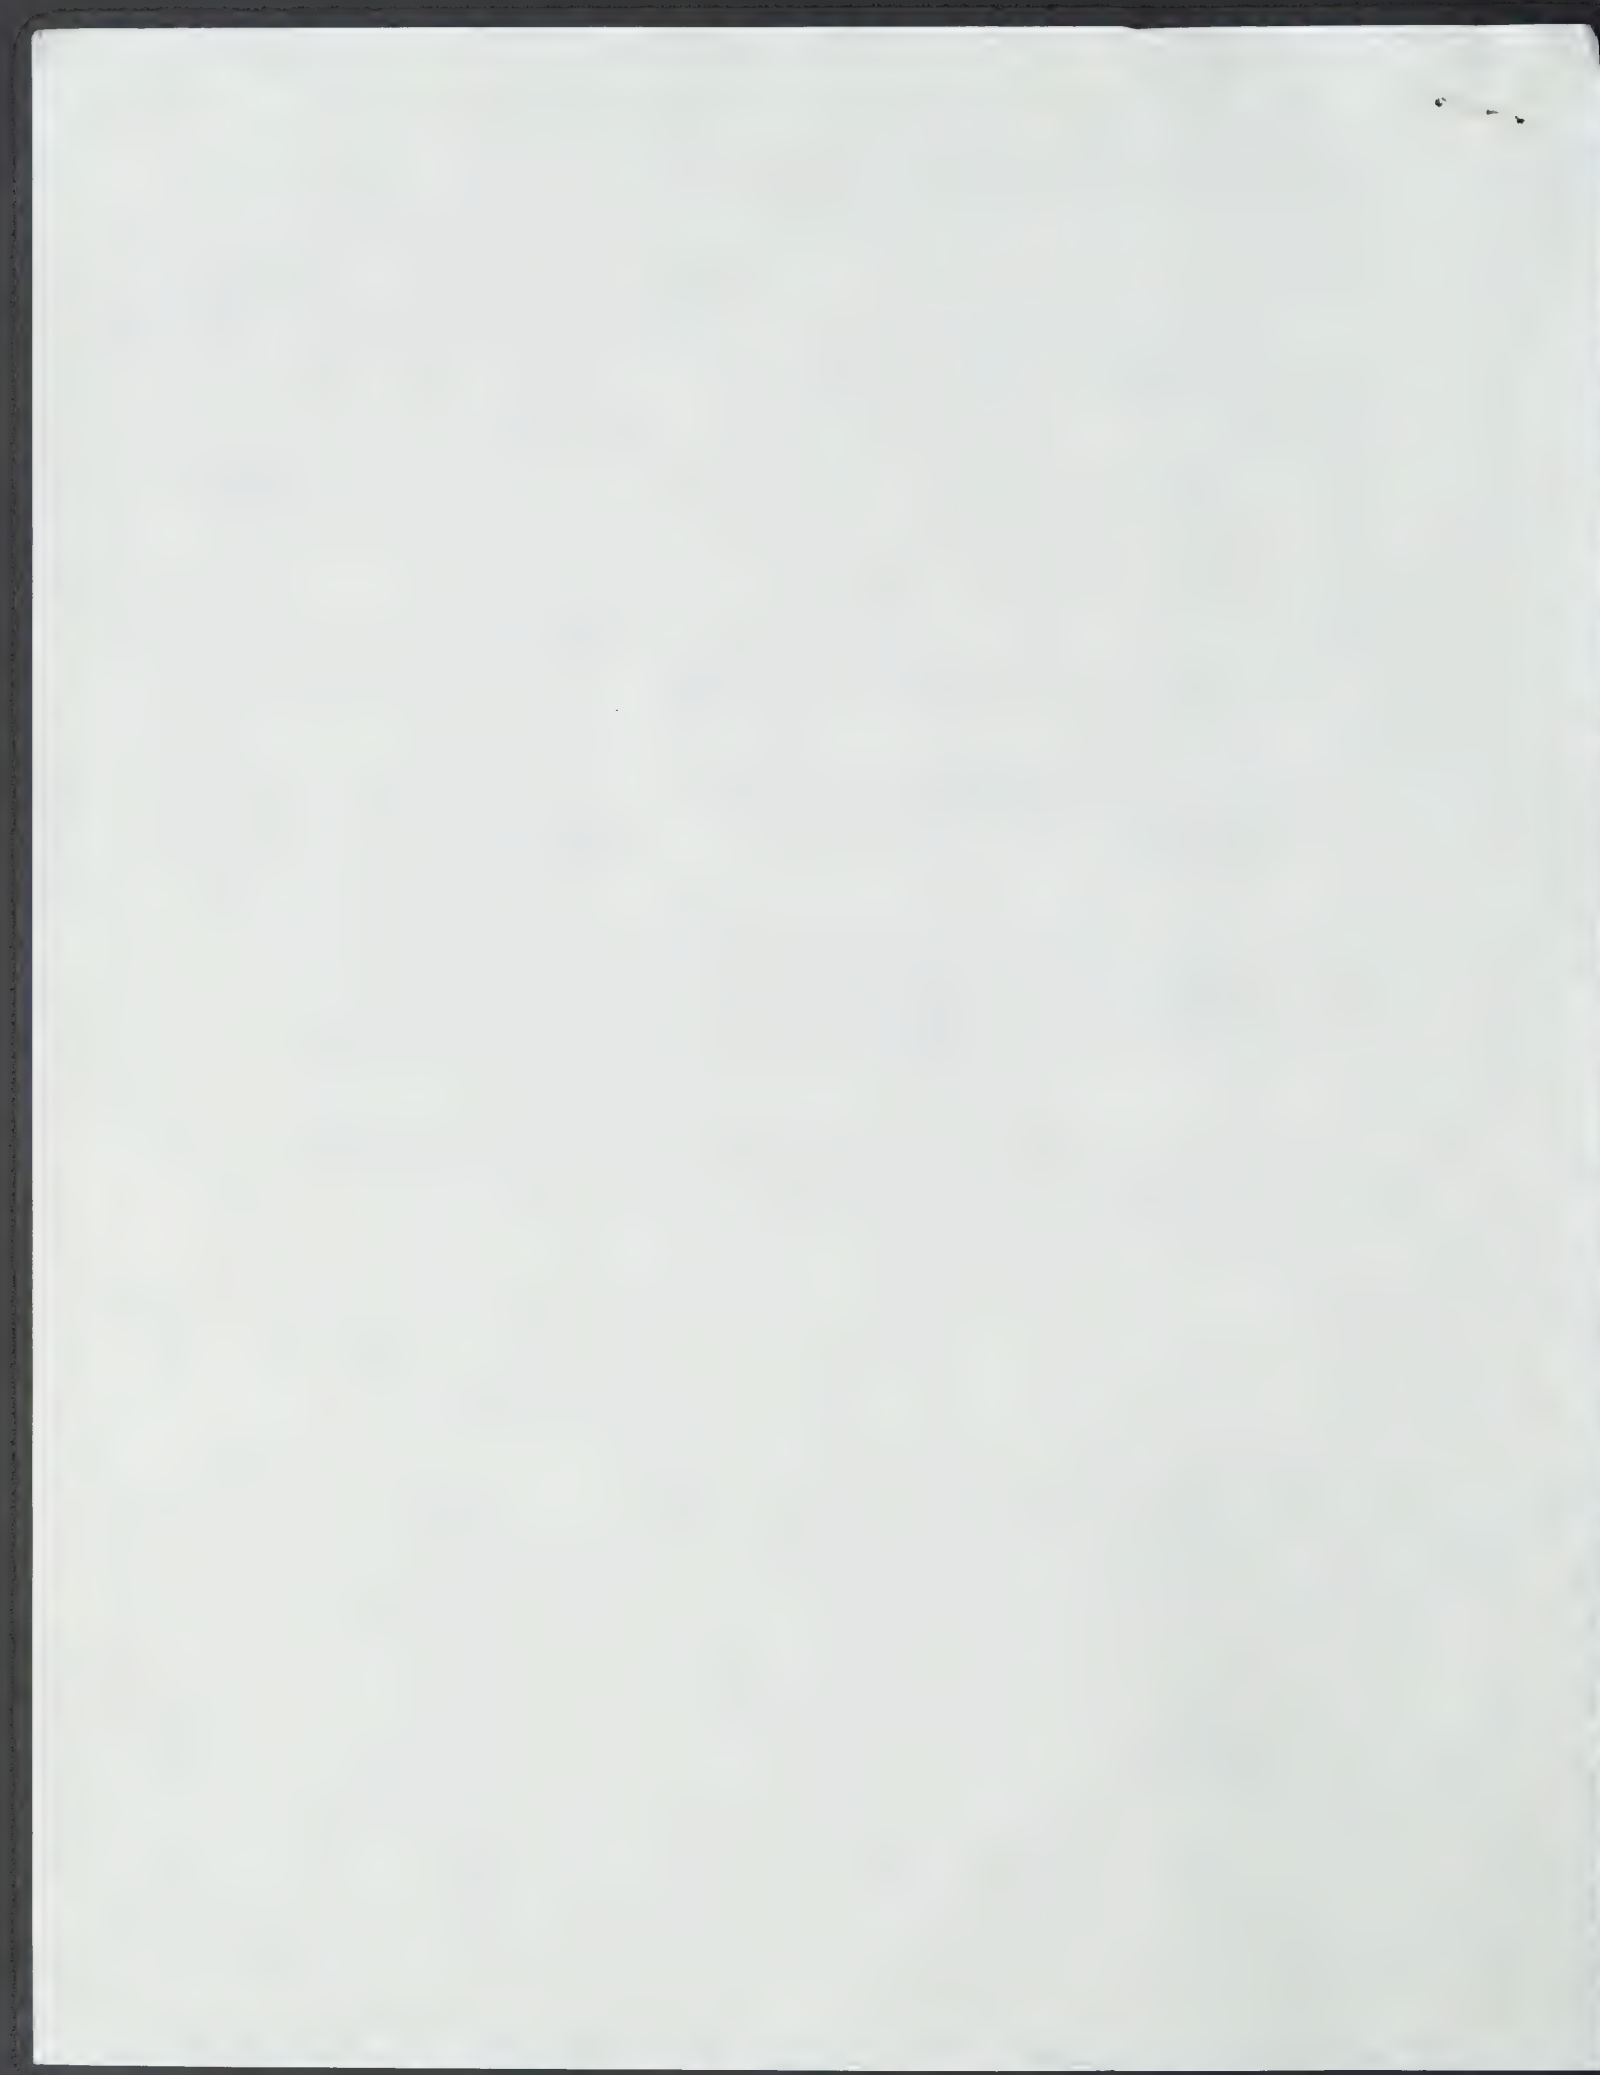

I have been instructed to inform you of this decision and to determine if the Ridley College Cadet Corps wishes to be equipped with the standard Cadet uniform. In considering this, you will appreciate that if you do not wish to adopt the Army Cadet uniform, the provision of some other suitable uniform would become the school responsibility.

I would be pleased to hear from you in due course on this point and, in the meantime, wish you all continuing success in your Cadet activities.

Yours sincerely,

1. The first part of the paper is devoted to a general discussion of the problem of the existence of solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the system has solutions for all values of the parameters α and β if the function $f(x)$ is continuous and has a bounded derivative. The second part of the paper is devoted to a detailed study of the properties of the solutions of the system of equations (1) for arbitrary values of the parameters α and β . It is shown that the solutions of the system of equations (1) are unique and depend continuously on the parameters α and β . The third part of the paper is devoted to a study of the asymptotic properties of the solutions of the system of equations (1) for large values of the parameters α and β . It is shown that the solutions of the system of equations (1) approach zero as the parameters α and β approach infinity.

This is intended as a short note to tell you that you should be very proud of the fine ambassadors from the Royal Military College who were at Ridley on Saturday last. From beginning to end, their turn-out was nothing short of excellent.

While our hockey team was just able to defeat your contingent by a score of 1 to 0, the cadets played to full capacity. With any luck, they might very well have defeated us by exactly the same score.

In the evening Dr. Diaper's Glee Club presented a very fine recital which was enjoyed by all. I might add that your father was in attendance and looking very well.

I hope we shall have the opportunity to see you in the not too distant future. With kindest regards and best wishes for 1967.

Yours sincerely,

P.S. Unfortunately, there still seems to be a canyon in our negotiations for the uniforms. Hopefully, something will develop in the near future.

Lt. Col. L. Salmon
Commanding Officer
The 57th Field Regiment RCA (M)
Niagara Falls Armoury
Niagara Falls, Ontario

Dear Col. Salmon:

This letter is intended as a short note to inform you that the Ridley College Cadet Corps will be affiliated with the 57th Field Regiment only, and we will not be involved in a dual affiliation whatsoever.

I have written to Col. Spencer explaining our position and I trust that this development is such that you will be pleased to have us affiliated with you.

We have had a long and practical relationship in the past and I hope within the bounds of possibility that this will continue in the future.

With kindest regards.

Lt. Col. W. S. Spencer
Commanding Officer
The Lincoln and Welland Regiment
Lake Street Armoury
St. Catharines, Ontario

Dear Col. Spencer:

May I thank you most sincerely for your thoughtful letter of November the 29th. Unfortunately, since I wrote to you, we discovered upon an official bulletin from Headquarters in Ottawa that the Ridley College Cadet Corps is and will be affiliated with the 57th Field Regiment. I wrote to Headquarters informing them of our decision to have a dual affiliation. They replied to the effect that we could only be affiliated with one regiment and that as we have been affiliated with the 44th in the past, they assume that we will be affiliated with the 57th in the future.

You will appreciate that we have had a long and practical relationship with the Artillery, and cannot under any possible circumstances divorce ourselves from them. Under these circumstances, we must, of necessity, be affiliated with the 57th, and no other regiment.

I hope that you understand our position and that you and your officers will not be too upset that we must withdraw our request to be affiliated with the Lincoln and Welland Regiment. It was very good of you to give us such a sincere and deep consideration, and I am grateful for your attitude as expressed in your recent letter.

.....2

Lt.Col.W.S.Spencer. - 2 - December 13, 1966

With kindest regards to you and your associates and I do hope that we will be able to maintain a warm relationship with the Lincoln and Welland Regiment as we have in the past.

Dear Mr. Pilgrim:

Your are quite correct in the assumption you make regarding the affiliation of No 162 Midley College Cadet Corps in your letter dated 2 December 1966.

Although Regular and Militia units of the Canadian Army may have more than one affiliation, it is not possible for a cadet corps to do likewise. Affiliation of a cadet corps to an army unit usually entails wearing that regiment's cap badge, shoulder flashes, etc., and this would clearly result in confusion if the cadet corps were affiliated to more than one unit. For this reason cadet corps may have only one affiliated unit.

At the present time No 162 Midley College Cadet Corps is affiliated with 57 Field Regiment RCA as authorized by Canadian Forces Headquarters on 9 August 1966. If you should desire to have this affiliation changed, please have the Corps Sponsor communicate with this Headquarters.

Dear Sirs:

Re: Affiliation of the
Ridley College Cadet Corps 162

Relative to the form circular over
the signature of F. D. Elcock, Commodore for Chief
of the Defence Staff - F 1087-11 (DO) dated
November 18th, 1966.

As you are aware, our affiliation
with the 44th Field Regiment came to an end almost
two years ago, and it is only natural to assume
that we will be affiliated with the 57th Field
Regiment in the future. At one time, I was led
to believe that a cadet corps could be affiliated
with two different regiments, and in this connection
Ridley College was attempting to be affiliated with
both the 57th Field Regiment and the Lincoln and
Welland Regiment.

Would I be correct in saying that
it is not possible to be affiliated with two
regiments at the same time? If this assumption
is true, I would be grateful if you would let me
know by return mail so that I can erase any
confusion which we have established at this end.

Yours sincerely,

Dear Mr. Pilgrim:

In the light of the much publicized sensitive areas of the services, many of us associated with the military have become somewhat cautious in our approach to affiliations simply because we wish to retain a close and pleasant relationship with all our past and present associates in the best interests of military esprit de corp.

You will forgive me, I am sure, if I use the above statement to explain the delay in responding to your request for affiliation with my unit. I was somewhat concerned that any haste on our part might encourage resentment from some of the older members of the former 44th Fd Regt and that the 10th Bty, with whom you have been so closely affiliated for many years, might feel slighted by our entry into this association.

There appears to be no dissension in any area and Colonel Len Salmon of the 57th Fd Regt is graciously agreeable to a dual affiliation.

Would you, therefore, kindly advise the Board of Governors of Ridley College that the Commanding Officer, Officers, and Mess of the Lincoln and Welland Regiment would be most pleased and delighted to enter into an affiliation with the Ridley College Cadet Corps No. 102.

St. Catharines, Ontario

Dear Col. Spencer:

I have been authorized by my fellow members of the Board of Governors of Ridley College to inform you that the Ridley College Cadet Corps No. 162 wishes to establish an affiliation with the Lincoln and Welland Regiment.

You will recall that for many years our Corps maintained a close relationship with the 44th Field Regiment which has now been disbanded.

To tie in the rather historical relationship which the Ridley College Cadet Corps has enjoyed for some years with many Peninsula military units, we also intend to become affiliated with the 57th Field Regiment in Niagara Falls. This dual association with two very fine and old regiments will be a great honour to Ridley and we hope that we shall justify our connection with you.

I look forward to hearing from you at your convenience so that I may inform Headquarters, Central Ontario Command at an early date.

With kindest regards.

Yours sincerely,

Dear Lt.-Col. Nation:

May I thank you most sincerely for your letter of August 31st enclosing a copy of Brig. Clement's letter to the Chief of Defence Staff. You will see from the enclosed that I have written directly to the Chief of Defence Staff.

Our Cadet instructor, Maj. Iggulden, as you know, has visited R.M.C. and has seen the tunics and trousers which you have available. We would be interested in both parts of the uniform regardless of whether you feel that the matching trousers are worn out. Naturally, we are willing to provide boots, socks, belt, gloves, cap, etc.

We are, indeed, grateful for all that you and your associates have done in our behalf and particularly for the consideration of A/C Birchall.

Yours sincerely,

Dear Sir:

Re: Uniforms - Ridley College Cadet Corps

Reference: A. V 1087-11-0012/162 (DCats) of 8 Jun 1966

I am in receipt of a copy of a letter signed by J. B. Clement, Brigadier, Commander Central Ontario District, dated the 8th of August, 1966. We are exceedingly pleased to follow up A/C Birchall's suggestion with regard to Royal Military College uniforms being supplied to Ridley College. You understand, of course, that by the term "uniforms" we are referring to tunics and trousers.

I am authorized by my fellow members of the Board of Governors to inform you that we will accept as many uniforms as the Royal Military College will supply and will do so at any time convenient to the Royal Military College authorities.

We are, indeed, grateful to all those who have considered this proposal and we look forward to the arrival of the tunics and trousers as soon as they may be shipped to us.

Yours sincerely,

Dear *Mr Pilgrim*

A/C Birchall has asked me to forward to you the enclosed copy of a letter written by Brigadier Clement of Headquarters, Central Ontario District. A/C Birchall understands that this is receiving early consideration at CFHQ.

I trust it is clear that the item available from RMC will be the blue jacket only. The matching trousers, blue with narrow red infantry stripe, are invariably worn out in service at RMC. It is further assumed that boots, socks, belt, gloves, cap, etc would be the same as you use now or some other item available from Army stocks.

UNIFORM - RIDLEY COLLEGE CADET CORPS

Reference: A. V 1087-11-0012/162 (DCdts) of 8 Jun 1966

1. Enquiries have been carried out with authorities of Ridley College Cadet Corps relating to their wishes for future uniforms. It is apparent that the Air Cadet uniform is inappropriate for Ridley College because of their affiliation with 57 Fd Regt RCA CA(M) for which formal approval is understood to be forthcoming at the next meeting of the Board of Governors of Ridley College.
2. A/C Birchall's view that discarded RMC blue patrol uniforms be issued to Ridley College Cadet Corps is considered to have great merit. It would be economical and would involve almost no additional cost to the public; a steady and continuing source of supply is available; the Canadian Services Colleges have already created a tri-service atmosphere which is so important at the present time.
3. Central Ontario District message TRG 1433 of 17 Jun 66 addressed to D Cadets which asked whether RMC blue uniforms would be available for other cadet corps as well as Ridley has not been answered. It could be reasonably assumed that if the proposal is accepted for Ridley, other school corps would undoubtedly be quite prepared to accept uniforms on a similar basis.
4. During the last two years it has been brought most forcibly to my attention that the state of school cadet corps in this part of Ontario has deteriorated and that much of the cause is lack of a suitable uniform. I consider that A/C Birchall's proposal has a great deal of merit and that it should be acted upon in respect to Ridley College at the earliest opportunity and that authority should be granted for approaches to be made to other school cadet corps which merit this type of support.
